## EDUCATION

### COMSATS University Islamabad

*Bachelor of Science in Software Engineering*

- CGPA: 3.86/4.0

September 2022 – Expected Graduation: June 2026

*Islamabad, Pakistan*

**Relevant Coursework:** Artificial Intelligence, Software Quality Engineering, Object Oriented Programming, Data Structures and Algorithms, Database Systems, Software Requirement Engineering, Computer Networks, Principles of Operating Systems, Web Technologies, Automated Software Testing, Devops

## EXPERIENCE

### Frontend Intern

June 2024 – Aug 2024

*Bytewise Fellowship Program*

*Remote*

- Built responsive front-end interfaces using HTML, CSS, JS, Tailwind, and React.
- Developed a Sadapay clone and Netflix clone focusing on UI replication and user experience.
- Created responsive layouts with Tailwind CSS for mobile and desktop devices.

### Web Development Intern

July 2024 – Aug 2024

*Techinc Mentors*

*On-site*

- Focused on front-end development for a student portal using React.
- Added features like course enrollment and student profile management.
- Optimized UI components for better performance and mobile responsiveness.

## PROJECTS

### AskSunnah | React, Node, Express, MongoDB, REST APIs, Stripe

2025

- Developed a full-stack production web platform for a Canada-based non-profit organization.
- Built a digital Islamic digital library system with structured question submission and admin moderation dashboard.
- Implemented secure authentication using JWT and designed RESTful APIs for scalable backend communication.
- Integrated Stripe for secure online donation processing.
- Collaborated in a team environment using Git for version control.

### Recipe Master | React, MongoDB, Express, Node, Bootstrap, REST API, JWT

2024

- Developed a full-stack recipe management application using the MERN stack.
- Implemented user authentication and profile management with JWT.
- Designed responsive UI using Bootstrap for cross-device compatibility.

### TaxPal | Tailwind CSS, Responsive UI Design

2024

- Developed a modern, responsive tax calculation interface using Tailwind CSS.
- Focused on clean UI architecture and mobile-first design principles.
- Implemented reusable UI components to improve maintainability and scalability.

## TECHNICAL SKILLS

**Languages:** Java, Python, C/C++, SQL, MongoDB, JavaScript, HTML/CSS

**Frameworks:** React, Node.js, Bootstrap, Tailwind, WordPress, Express

**Developer Tools:** Git, Docker, Thonny, Visual Studio, PyCharm, IntelliJ

## LEADERSHIP & ACHIEVEMENTS

### Web Development Lead

2024

*GDG on Campus COMSATS University*

- Led web development initiatives and supported students in creating impactful projects.
- Collaborated with a team to organize COMPETE event, with over 200 students from multiple universities participating.
- Mentored peers in web technologies and contributed to the organization of a Web Bootcamp focusing on LLM workflows.

### Aspire Leadership Program Fellow

2024

*Aspire Leaders Program (Global Leadership Initiative)*

- Demonstrated strong leadership skills by leading group discussions, organizing team activities, and driving collaborative efforts to achieve program goals, all while fostering a positive and inclusive environment.
